FOR IMMEDIATE RELEASE

Sebesta Blomberg Announces 100% Employee Ownership

MINNEAPOLIS, MN, January 20, 2011 – On January 1, 2011, Sebesta Blomberg transformed from a majority-owned Employee Stock Ownership Plan (ESOP) to a 100% employee-owned company. The transition allows employees to gain a greater financial interest in the company, and therefore have an added incentive in helping the firm grow and deliver quality services. The new ownership structure will work to provide clients the opportunity to work with people who have a stake in what they do.

“The ESOP is an important move that positions our company for the future, gives us a competitive edge in attracting and retaining staff, and demonstrates our commitment to employees and clients,” says Tony Litton, CEO.
