FOR IMMEDIATE RELEASE

Sebesta Blomberg Receives 2010 Honor Award

MINNEAPOLIS, MN — November 25, 2009 — Sebesta Blomberg, a national engineering and consulting firm, was honored with an Award of Excellence by the Minnesota Concrete & Masonry Contractors Association (MC&MCA) for work performed on the University of Minnesota Utility Building and Switch Station project.

The annual Excellence Awards are in recognition of excellence in masonry, concrete design, and construction. Through the program the MC&MCA seeks to honor works of distinction by its members and to bring public attention to outstanding buildings and projects constructed of masonry and concrete materials. Project entries are judged on the basis of both workmanship and architectural design.

About Sebesta Blomberg

Founded in 1994, Sebesta Blomberg is a national leader in providing innovative engineering and consulting services to a variety of renowned private and public sector clients. Sebesta Blomberg is headquartered in St. Paul, Minnesota, with over 10 offices located throughout the United States. Additional information on Sebesta Blomberg and it's services can be found at www.sebesta.com.

About the Minnesota Concrete & Masonry Contractors Association

Formed in 1964, the Minnesota Concrete & Mason Contractors Association is a nonprofit trade association comprised of over 100 concrete and masonry contractors and related companies doing business in Minnesota.
