**FOR IMMEDIATE RELEASE****SEBESTA BLOMBERG ANNOUNCES NEW PRINCIPAL**

**DALLAS, TX — December 19, 2011** — Sebesta Blomberg, an engineering consulting firm, has announced that Alan LaFon has joined its team as a Principal in the Dallas and Oklahoma City offices.

Mr. LaFon is an accomplished professional with 30 years of design, project management and administration experience in the commercial, education, and government sectors. He is adept at executing integrated project delivery, including facilitation with A/E/C design parties, owner representatives and project stakeholders. Alan has also extended his professional expertise to the educational arena, teaching design studio, design theory, architectural history and urban design.

Alan LaFon

“Alan has a wealth of knowledge and experience within the A/E/C industry,” said Glin Jay, Partner and Executive Vice President of Sebesta Blomberg. “Alan is results-oriented and his drive for excellence in lifecycle planning and developing Advanced Services Strategies will be instrumental in providing strategic insight for Sebesta Blomberg and our clients. We are excited to welcome Alan to our leadership team.”

Alan is a Licensed Architect, LEED Accredited Professional and a Registered Interior Designer. He was a Founding Chair of the USGBC East Tennessee chapter and is actively involved with and a member of the American Institute of Architects (AIA). Alan earned his Bachelor’s Degree in Architecture from the California Polytechnic State University and a Master’s Degree in Architecture from Texas A&M University.

**About Sebesta Blomberg**

Sebesta Blomberg is a national Leader in Lifecycle Performance of Built Environments, providing full-service consulting and engineering services. As a company, we promote collaborative and sustainable solutions that are designed and commissioned to ensure occupant comfort, improved energy efficiency, reduced lifecycle operational costs, and ultimately optimize client effectiveness. We create exceptional built environments that meet the most complex of challenges. Sebesta Blomberg is headquartered in Minneapolis-St. Paul, with over 15 offices located throughout the United States.
