FOR IMMEDIATE RELEASE**SEBESTA BLOMBERG ANNOUNCES NEW HEALTHCARE MARKET SECTOR LEADER**

ST. PAUL, MN — January 18, 2012 — Sebesta Blomberg, an engineering consulting firm, has announced that Charles D. Knight, AIA, NCARB, CID, LEED AP has joined its team as the healthcare market sector leader for the company. In this role, he will be responsible for leading the firm's healthcare business strategy, analytics, and client relationship development and management. He will collaborate with service sector leaders, the leadership team, and technical staff to foster a client-centric, unified healthcare team.

Charles D. Knight

Knight is an accomplished A/E professional with proven leadership abilities in the specialized areas of master planning, building design, and construction for healthcare facilities. He brings extensive experience as a dedicated and accomplished architectural designer with a focus on social needs. Previously, Knight served as a Principal at Cannon Design, leading the firm's Phoenix office with a primary responsibility of advancing the firm's healthcare practice.

"I am extremely pleased that Charles has agreed to join our team as the healthcare market sector leader," said Tony Litton, CEO. "This is an important step for our organization as we continue to develop the healthcare market sector. His strong healthcare knowledge and experience, combined with his entrepreneurial skill set will enable us to have a more extensive reach in the industry."

Knight obtained his Bachelor of Science in architecture from Oklahoma State University and his Master's of architecture from the University of Illinois. He is Registered Professional Architect, Certified Interior Designer, LEED Accredited Professional, and holds a NCARB Certificate. Knight is an active member of the American Institute of Architects (AIA) and serves as Chairman of the AIA State Honor Design Awards.
