FOR IMMEDIATE RELEASE**SEBESTA BLOMBERG ANNOUNCES DIRECTOR OF CHICAGO OPERATIONS**

CHICAGO, IL — December 8, 2011 — Sebesta Blomberg, an engineering consulting firm, has announced that Christopher Philbrick has joined its team as the Director of Chicago Operations.

Mr. Philbrick is an accomplished professional in the engineering industry with over 18 years of commissioning, energy, sustainability and mechanical engineering experience. As Director of Operations, Chris is responsible for the day-to-day operations of the Sebesta Blomberg's Chicago office, ensuring maximum efficiency, quality and productivity. Chris will also lead the office's project and client development with an overall focus on expanding business in the Chicago area.

Chris Philbrick

"Chris has a wealth of knowledge and experience within the Chicago market," said Tony Litton, CEO of Sebesta Blomberg. "Chris is results-driven and his drive for excellence will be instrumental in helping Sebesta Blomberg achieve success in the Chicago market. We look forward to working with Chris and are excited to welcome him to our leadership team."

Chris is a Licensed Professional Engineer, Certified Energy Manager and LEED Accredited Professional. He is actively involved in and a member of the USGBC Chicago chapter, ASHRAE, and the Chief Engineer's Association of Chicago. Chris earned his Bachelor and Master Degrees in Mechanical Engineering from the University of Illinois Chicago.

About Sebesta Blomberg
