FOR IMMEDIATE RELEASE**SEBESTA BLOMBERG ANNOUNCES NEW COMMISSIONING DIRECTOR**

ST. PAUL, MN — January 31, 2012 — Sebesta Blomberg, an engineering consulting firm, has announced that Nevena Parsons, PE, PMP, LEED AP, CxA, has joined the company as Commissioning Director. Working out of the company's Washington DC office, she will be responsible for further developing the firm's commissioning services, business strategy and client relationships.

Parsons is an accomplished commissioning, mechanical engineering and project management professional with over 25 years of experience implementing facility projects for public and private clients. She has worked with a variety of government, commercial, education, healthcare and international clients, including the Department of Defense, NAVFAC, Veterans Affairs, and Saudi Arabian Oil Company (Saudi Aramco).

Parsons is a Registered Professional Engineer, LEED Accredited Professional, Certified Commissioning Authority, Project Management Professional and has a current NCEES Record. Parsons is an active member of the National Society of Professional Engineers (NSPE), American Society of Heating, Refrigeration and Air Conditioning Engineers (ASHRAE), and serves as a Senior Member of the Association of Energy Engineers (AEE).

About Sebesta Blomberg

Sebesta Blomberg is a national Leader in Lifecycle Performance of Built Environments, providing full-service consulting and engineering services. As a company, we promote collaborative and sustainable solutions that are designed and commissioned to ensure occupant comfort, improved energy efficiency, reduced lifecycle operational costs, and ultimately optimize client effectiveness. We create exceptional built environments that meet the most complex of challenges. Sebesta Blomberg is headquartered in Minneapolis-St. Paul, with over 15 offices located throughout the United States.
