

**** These directions have been adapted to bypass the 35W bridge, which collapsed in August 2007. ****

From the airport:

- 494 East
- 35E North
- 36 West
- North on Snelling Avenue
- Left on County Road C
- Left on Cleveland Avenue
- There is a Burger King right on the corner of C and Cleveland
- Immediately after the Burger King will be a set of railroad tracks
- Rosegate is immediately after the railroad tracks (take a right)
- Follow for about one-half mile
- We are a one-story light brick building on the right-hand side

From the north:

- 35W South
- County Road C exit
- First stoplight is Long Lake Road – turn left
- Next stoplight is County Road C - go straight through stoplight and continue on Long Lake Road
- At stop sign for County Road B2/Terminal Road continue straight on Long Lake Road
- Next stop sign is a T-intersection (Rosegate)
- Left on Rosegate
- We are a one-story light brick building on the left-hand side

From the south:

- 35E North
- 94 West
- 280 North
- Terminal Drive (stay in the left lane at the “end” of 280)
- First right (Service Drive)
- When Service Drive curves to the left, we are the first building on the left-hand side – one-story light color brick building

From the east:

- 94 West
- 280 North
- Terminal Drive (stay in the left lane at the “end” of 280)
- First right (Service Drive)
- When Service Drive curves to the left, we are the first building on the left-hand side – one-story light color brick building

From the west:

- 394 East
- 94 East
- 280 North
- Terminal Drive (stay in the left lane at the “end” of 280)
- First right (Service Drive)
- When Service Drive curves to the left, we are the first building on the left-hand side – one-story light color brick building
