FOR IMMEDIATE RELEASE**SEBESTA BLOMBERG ANNOUNCES DIRECTOR OF WISCONSIN OPERATIONS**

ST. PAUL — October 25, 2011 — Sebesta Blomberg, an engineering-consulting firm based in St. Paul, MN, has announced the establishment of two offices in Wisconsin. The expansion is a critical part of the company's stated mission to strategically grow and expand into new markets. Sebesta Blomberg opened offices in River Falls and Madison, Wisconsin.

In support of the expansion, Sebesta Blomberg has hired Stacey Ayuthia as Director of Wisconsin Operations, located in the company's Madison office. Ayuthia's primary role will be to further develop Sebesta Blomberg's existing Wisconsin client relationships and expand the company's business presence in the state. She brings a strong project management background in design, construction and commissioning of technically complex facilities. She has a Master of Engineering in Professional Engineering Management from the University of Wisconsin, and a Bachelor of Science in Architectural Engineering from the University of Kansas.

Stacey Ayuthia

"The expansion into Wisconsin is a key milestone in the development of our services to our existing and future clients in the Midwest," said Tony Litton, CEO of Sebesta Blomberg. "This expansion will allow us to enhance the level service we provide to our clients and strengthen our ability to work for clients we couldn't have before."

About Sebesta Blomberg

Sebesta Blomberg is a national leader in providing full-service engineering and consulting services. As a company, we promote collaborative and sustainable solutions that are designed to ensure occupant comfort, improve efficiency, reduce operational costs, and ultimately optimize client effectiveness.
