Sebesta Blomberg Announces New Office in Wisconsin

ST. PAUL, MN, September 12, 2011 – Sebesta Blomberg announced this week the opening of its newest office in River Falls, Wisconsin.

“The office is a key milestone in our strategy to grow and maintain our position as a leading provider of engineering and consulting services,” said Tony Litton, CEO. The new Wisconsin location will work to support work with the State of Wisconsin, the University of Wisconsin System, as well as future project opportunities in the state.

About Sebesta Blomberg

Established in 1994, Sebesta Blomberg is a nationally-recognized provider of full-service engineering and design services. Sebesta Blomberg delivers engineering, commissioning, energy performance, eco-management, client utility solutions, and owner’s representation services to education, government, healthcare, industrial, transportation, and utility clients nationwide.
